Log In to HeMP

- ☐ **Create a HeMP Account**
- ☐ **Log In to HeMP**
- ☐ **Log In to HeMP Through an Account Invitation Email**

Create a HeMP Account (1 of 5)

If your State/Tribe has NOT submitted any hemp regulation forms or hemp regulatory plans (including drafts) to USDA's Domestic Hemp Production Program (DHPP) in the past, you can follow these steps to log in. If you have submitted to DHPP in the past, **go to [Page 11](#)**.

1. Go to <https://hemp.ams.usda.gov/s/>.
2. Under the “Is this your first time working with USDA’s Domestic Hemp Production Program (DHPP) or are you a returning user to HeMP?” **click** “Sign Up”.

3. You will be directed to login to HeMP using your USDA eAuthentication (eAuth) credentials. **Enter** your eAuth username and password, then **click** “Log In with Password” to log in.

Create a HeMP Account (2 of 5)

- You will be directed to begin the Account sign up process, **click** “Get Started”.

The diagram illustrates the account creation process flow. It consists of three main steps, each with an icon and a description:

- Just a few minutes**: Represented by a clock icon. Text: "This process should take 5 to 10 minutes to complete."
- Submission confirmation email**: Represented by a document and pencil icon. Text: "You will receive an email confirmation immediately after completing this process, followed by an email within 5 minutes to confirm that your HEMP account has been created."
- Account confirmation email**: Represented by a person icon. Text: "Once you receive the confirmation email indicating that your account has been created, you will be able to get started with HEMP. Thank you for your patience."

Below these steps, a green arrow points from a green circle containing the number **4** to a green button labeled **Get Started**.

- Once you are on the “Your Information” page, **review** your contact information and **enter** additional details directly into the information field if needed. Note: HeMP is linked to your eAuth Account. If you need to update your email, username, or password, you will need to do so through your eAuth Account.
- Once you have reviewed and/or updated your contact information, **click** “Next”.

The screenshot shows the "Your Information" form. It includes the following fields:

- Email**: johnny@doestate.org
- * Name**: A section containing three sub-fields:
 - Salutation**: A dropdown menu with "--None--" selected.
 - First Name**: Johnny
 - Middle Name**: Middle Name
- * Last Name**: Doe
- Suffix**: Suffix

At the bottom of the form, a green arrow points from a green circle containing the number **6** to a green button labeled **Next**.

Create a HeMP Account (3 of 5)

- Once you are on the “Account Type” page, **click** “State Government” or “Tribal Government” depending on if you represent a State or Tribal Government.
- Scroll down** and **click** “Next”.

11. Once you are on the “Add Team Members to Your Account” page, you can invite colleagues from your State/Tribe to the Account. Note: The Account sign up process should only be used once per State/Tribe. Additional users should access the Account through an invitation and should not go through the Account sign up process detailed in steps 1-9.

A. **Enter** the name and email address of your colleague(s). The email address provided should be the one associated with the individual’s eAuth account.

B. After you have entered your colleague’s information, **click** “Add Team Member”.

12. Once you are on the “Your account creation request has been received!” page, your Account request has been received by USDA. You will also receive an email confirming your Account request has been received.
13. Within 5 minutes of completing the Account sign up process, you will receive an email with the subject “USDA HeMP Account is Ready” indicating that you can now use your new Account.
14. You can now **log in** to HeMP any time by going to <https://hemp.ams.usda.gov/s/> and logging in using your eAuth username and password.

Log In to HeMP (1 of 1)

1. Go to <https://hemp.ams.usda.gov/s/>.
2. Under the “Is this your first time working with USDA’s Domestic Hemp Production Program (DHPP) or are you a returning user to HeMP?” **click** “Log In”.

Is this your first time working with USDA’s Domestic Hemp Production Program (DHPP), or are you a returning user to HeMP?

Welcome! The HeMP System allows producers, States, Tribes, and testing labs to submit applications and reports, and to manage licensee data online. If you have not worked with DHPP in the past, you can sign up or log in through eAuthentication (eAuth) below. eAuth is required to access the system.

If you are a returning HeMP user, log in below.

Log In to HeMP Through an Account Invitation Email (1 of 5)

If your State/Tribe has submitted any hemp regulation forms or hemp regulatory plans (including drafts) to USDA's Domestic Hemp Production Program (DHPP) in the past, you can follow these steps to log in. If you have not submitted to DHPP in the past, **go to [Page 5](#)**.

1. You should have received an email with the subject "USDA HeMP Account Invitation". **Open** that email and **click** the URL provided to access your State or Tribe HeMP Account.
 - If you do not have an email invitation, send an Account invitation request to DHPP via email at farmbill.hemp@usda.gov specifying the State or Tribe you represent. Alternatively, if a colleague from your State/Tribe has already logged in to HeMP, reach out to that individual for an invitation to join.

2. You will be directed to log into HeMP using your USDA eAuthentication (eAuth) credentials. **Enter** your eAuth username and password, then **click** "Log In with Password" to log in.

Log In to HeMP through an Account Invitation Email (2 of 5)

3. After logging in, you will receive one of the four following messages.

- **Message 1:** If you see the “Congrats! You are a member of [Account Name]” message below, you have successfully accepted your Account invitation.

A. After seeing this message, **click** “Continue”.

B. **Click** your Account dropdown on the righthand corner of the page.

C. **Click** “My Profile” from the dropdown.

D. You will be directed to your “Edit My Profile” tab, **click** “Edit Contact Details”.

The screenshot shows the 'Edit My Profile' page. A green circle with the letter 'D' is positioned to the left of the page. A green arrow points from this circle to a button labeled 'Edit Contact Details' in the top right corner of the page. The page content includes fields for Name (Johnny Doe), Email (johnny@doestate.org), Phone (202-123-4567), Other Phone, and Additional Contact Information.

E. **Review** and **update** your contact details by clicking into any of the fields listed on the page including “Name” and “Contact Information”. Note: You cannot update your email address from the “Edit My Profile” page. Your HeMP Account is linked to your eAuth Account. If you need to update your email address, you will need to do it through your eAuth Account in [Update Account page](#).

The screenshot shows the 'Edit My Profile' page with a focus on the name fields. A green circle with the letter 'E' is positioned to the left of the page. A green bracket highlights the 'Name' section, which includes a 'Salutation' dropdown menu (currently set to '--None--'), 'First Name' (Johnny), 'Middle Name' (Middle Name), and 'Last Name' (Doe). The 'Last Name' field is marked with a red asterisk.

F. **Click** “Save Changes” at the bottom of “Edit My Profile”. Congratulations, your HeMP Account is now complete. You may now begin using your HeMP Account.

3. Continued: After logging in, you will receive one of the four following messages.

- **Message 2:** If you see the “Uh oh! Your invitation link has expired” message below, your invitation link has expired. If a colleague invited you to your organization’s Account, **have them resend an Account invitation**. You can also **request a new invitation** by emailing DHPP at farmbill.hemp@usda.gov.

- **Message 3:** If you see the “Uh oh, Your email address doesn’t match” message below, the email address associated with your eAuth Account does not match the email address invited to join the Account. If a colleague invited you to your organization’s Account, **have them resend an Account invitation to the email address associated with your eAuth Account**. You can also **request a new invitation** by emailing DHPP at farmbill.hemp@usda.gov.

Submit or Waive a Hemp Regulatory Plan

- ☐ **Submit a Formal or Informal Draft of a Hemp Regulatory Plan**
- ☐ **Submit a Formal Hemp Regulatory Plan After Informal Review**
- ☐ **Waive a Hemp Regulatory Plan**
- ☐ **Make Requested Revisions to a Reviewed Hemp Regulatory Plan**

Submit a Formal or Informal Draft of a Hemp Regulatory Plan (1 of 2)

The following instructions detail how to submit a formal or informal hemp regulation plan. Submitting a hemp regulatory plan for informal review is an opportunity for you to receive AMS feedback on all or part of your drafted hemp plan. This is an optional step you may take and will not begin the congressionally mandated 60-day plan review process AMS abides by when formally reviewing plan submissions.

1. Click “Submit Hemp Plan” under “Take Action” on the right side of HeMP.

2. Once you are on the “Submit Hemp Regulation Plan” page, you can upload either a PDF (.pdf) or Microsoft Word (.doc) of your hemp regulatory plan. Click “Upload Files”.

3. From your documents, find the file you would like to upload. Click the file and then click “Open”.

4. Your file name should appear under “Plan Title”. If you need to replace the file showing, go through steps 4 and 5 again.

Submit a Formal or Informal Draft of a Hemp Regulatory Plan (2 of 2)

5. **Click** “Submit Plan” to submit your formal hemp regulatory plan or “Submit Informal Draft (Optional)” to submit your informal hemp regulatory plan. Note: Submitting an informal hemp regulatory plan is optional and will not result in an approved hemp regulatory plan.

6. Once you see the Sign & Submit pop-up, **click** the box to the left of “I certify the above statement” then **click** “Submit” to submit your plan.

The "Sign & Submit" pop-up form contains a statement: "I am an approved representative of the State or Tribe for which this plan is being submitted, and I have the authority to submit a hemp program plan on its behalf." Below this is a checkbox with a checkmark and the text "I certify the above statement." A green circle with the number 6 points to this checkbox. At the bottom right are "Cancel" and "Submit" buttons. Another green circle with the number 6 points to the "Submit" button.

7. **Click** “Home” in the top left of your page.
8. Once you are on your Home page, you can **view** the details of your submission under “Plans”.
9. **Click** your plan under “Plan Name” to view additional details about your hemp regulatory plan submission.

Submit a Formal Hemp Regulatory Plan After Informal Review (1 of 3)

Submitting a hemp regulatory plan for informal review is an opportunity for you to receive AMS feedback on all or part of your drafted hemp plan. For instructions on submitting an informal draft, see [Page 36](#). Once your informal draft has been submitted and USDA has reviewed the draft, you can submit a formal plan by using the following steps.

1. From your homepage, **navigate** to “My Hemp Regulatory Plan”.
2. **Find** and **click** the blue “Plan Name” link of the informal draft you previously submitted to USDA.

3. Once you are on the “State or Tribe Plan” page, **click** “Submit Formal Plan” to submit your formal hemp regulatory plan.

4. Once you are on the “Submit Formal Plan” page, you can upload either a PDF (.pdf) or Microsoft Word (.doc) of your formal plan. **Click** “Upload Files”.

5. From your documents, **find** the file you would like to upload. **Click** the file and then **click** “Open”.

6. Your file name should appear under “Plan Title”. If you need to replace the file shown, go through steps 4 and 5 again.

7. **Click** “Submit Plan” to submit your formal hemp regulatory plan.

8. Once you see the Sign & Submit pop up, click the box to the left of “I certify the above statement” then **click** “Submit” to submit your plan.

Submit a Formal Hemp Regulatory Plan After Informal Review (3 of 3)

9. You will then see a notification at the top of your screen indicating that your plan was successfully uploaded.

10. You will be directed back to the homepage. **Navigate to** the “My Hemp Regulation Plan” section where you can **view** the details of your submission.
11. **Click** your plan under “Plan Name” to view additional details about your hemp regulatory plan submission. Note: You should now see both your informal and formal hemp regulation plan in this section.

At the bottom right of the window are two buttons: a white "Cancel" button and a green "Submit" button. A green circle with the number "5" and an arrow points to the "Submit" button.

Make Requested Revisions to a Reviewed Hemp Regulatory Plan (1 of 3)

After USDA reviews your submitted hemp regulatory plan or informal draft and determines that corrections must be made, you will receive an email notifying you that the requested revisions are available. You can either access the corrections by clicking the link in the email or logging into HeMP directly.

1. From your homepage, **navigate** to the “My Hemp Regulatory Plan” section to view your hemp regulatory plans.
2. **Find** and **click** the Plan Name link associated with the hemp regulatory plan that is in review.

3. **Scroll down** the State or Tribe Plan page to find where USDA has made comments. Review those comments and **click** any of the files included with the requested revisions. Note: If you would like to write a response back to USDA, use the “Write a comment...” section.

Amend a Hemp Regulatory Plan (1 of 3)

A hemp plan should be amended if a State or Indian Tribe makes substantive revisions to its plan or its laws which alter the way the plan meets the requirements of the Final Rule, a State or Tribal government must re-submit the revised plan for USDA approval. Such re-submissions should be provided to USDA within 60 days from the date that the State or Tribal laws and regulations are effective. Amending your current hemp plan, includes submitting a PDF or Microsoft Word document of your amended plan. Before starting these steps, have the amended plan saved to your computer files. The following instructions detail how to amend your currently approved plan.

1. From your homepage, **navigate** to the “My Hemp Regulatory Plan” section to view your hemp regulatory plans.
2. **Find** and **click** the Plan Name link associated with the current hemp regulatory plan that you would like to amend.

Add Producers to a Producer Report (AMS-23): Add Individually (1 of 3)

Every month, States and Tribes with approved hemp plans must report the license and contact information for each new producer licensed during the reporting period. The due date for this report is the 1st day of each month. If this date falls on a holiday or weekend, the report is due on the next business day. If no updates occurred during the reporting cycle, a report must still be submitted in HeMP to indicate that there were no new licensed producers during the reporting period.

To add new producers, you will have the option to add them individually or upload producers in bulk. If you would like to add producers individually, use the following instructions. If you would like to bulk upload producers, **go** to [Page 59](#).

1. From the homepage, **scroll down** to find and **click** the “Producer Reports” tab.
2. **Click** on the Report Name of the report you would like to submit.

3. **Click** on the **Report Name** drop-down menu.
4. **Select** “Yes” or “No”. Note: If you would like to bulk upload multiple producers, **skip** to Step 5 on [Page 59](#). Note: If you do not have any new producers to report, choose “No” and click “Submit” on the right side of the page. You are done completing the report and do not have to complete the remaining instructions.

5. **Select** “Add Producer Individually”.

The screenshot shows the 'Report Details' form. At the top, it displays 'Report Start Date' as 7/19/2022 and 'Report End Date' as 7/31/2022. Below this is a dropdown menu for 'Do you have any new producers to report?' with 'Yes' selected. The main section is titled 'Producers' and contains two buttons: 'Bulk Upload Producers' and 'Add Producer Individually'. The 'Add Producer Individually' button is highlighted with a green circle and an arrow labeled '5'.

6. Once you see the “New Producer” pop-up, **enter** all requested information about the new producer you are reporting then **select** “Save”.

The screenshot shows the 'New Producer' pop-up form. It has a title bar 'New Producer' and a close button. The form is divided into two sections: 'Information' and 'Address Information'. The 'Information' section contains fields for: '* ST Producer Report' (a dropdown menu showing 'August 2021 Producer Report'), '* Name of Licensee', '* License Number', 'EIN (if Applicable)', '* License Issue Date', '* License Expiration Date', 'Email', '* Phone', '* License Status' (a dropdown menu showing '--None--'), and '* On Corrective Action Plan?' (a dropdown menu showing 'No'). The 'Address Information' section contains fields for: '* Street', '* City', '* State' (a dropdown menu showing '--None--'), and '* Zip Code'. At the bottom right of the form, there are two buttons: 'Cancel' and 'Save'. The 'Save' button is highlighted with a green circle and an arrow labeled '6'.

Submit a Disposal/Remediation Report (AMS-24) (1 of 4)

Every month, States and Tribes must report any on-farm disposals or remediations by producers in their jurisdiction resulting from non-compliant test results exceeding the acceptable hemp THC level for that reporting period. The due date for this report is the 1st day of each month. If this date falls on a holiday or weekend, the report is due on the next business day. If no disposals or remediations occurred during the reporting cycle, a report must still be submitted in HeMP to indicate that there were no new disposals or remediations during the reporting period. You must attach a Certificate of Analysis (COA) for each disposal/remediation that you report. Before starting these instructions, have the COAs saved to your computer. The following instructions detail how to submit a Disposal/Remediation Report.

1. From the homepage, **scroll down** to find and **click** the “Disposal/Remediation Reports” tab.
2. **Click** on the Report Name of the report you would like to submit. Note: Disposal/Remediation Report Names can be searched on your homepage search bar.

3. Once you are on the “SI Disposal/Remediation Report” page, **click** the “Do you have any disposals or remediations to report?” drop-down menu and **select** your response from the menu.
4. **Select** “Yes” or “No”. Note: If you do not have disposals or remediations to report, choose “No” and click “Submit” on the right side of the page. You are then done completing the report and do not have to complete the remaining instructions.

Below the title is a 'Return to Report' button. A section titled 'Instructions' with an information icon contains text about the page's purpose and a requirement to attach a Certificate of Analysis (COA). Below this is an 'Information' section with a dropdown arrow. It displays 'Lot Number' as '28' and 'License Number' as '0298ST'. There are also fields for 'Start Date of Action' and 'Action Taken'.

9. Scroll down to the bottom of the page to find the “Files” section. **Click** “Add Files”.

The screenshot shows the 'Files (0)' section. It features a file icon, the text 'Files (0)', and an 'Add Files' button. Below this is an 'Upload Files' button with an upload icon and the text 'Or drop files'. A green circle with the number '9' and an arrow points to the 'Add Files' button.

10. Once you see the “Select Files” pop-up, **click** “Upload Files” and **upload** the COA associated with the disposal or remediation.

The screenshot shows the 'Select Files' pop-up window. It has a title bar 'Select Files'. On the left is a sidebar with a list of filters: 'Owned by Me', 'Shared with Me', 'Recent' (which is highlighted), 'Following', and 'Related Files'. A green circle with the number '10' and an arrow points to the 'Upload Files' button in the sidebar. The main area of the pop-up has a search bar labeled 'Search Files...' and a message: 'You don't have any files here. Try a different filter, or upload a file.'

Submit an Annual Report (AMS-25)

States and Tribes with approved hemp plans must submit an annual report to the USDA by December 15th of each year. In this report, States and Tribes will include the total acreage planted, harvested and disposed under their jurisdiction.

To report information on each of your licensees, you will have the option to report one at a time or use a spreadsheet template to enter the report information and upload to HeMP. The spreadsheet option should only be used if you have more than 10 producers to report this year.

If you have less than 10 producers, use the following instructions. If you have more than 10 producer to report, follow Steps 1-5 then go to [Page 75](#).

1. From the HeMP homepage, **scroll down** to find and **click** the “Annual Reports” tab.
2. **Click** on the Report ID of the report you would like to submit. Note: Annual Report IDs can be searched in your homepage search bar.

3. Once you are on the “ST Annual Report” page, **click** the “Do you have anything to report?” dropdown to view your submission options.
4. **Select** if you have licensees to report. If you do not have licensees to report, you are done with the report and can click “Submit” at the top right of the page.

5. Click the “How would you like to complete this report?” drop-down menu.

If you have more than 10 licensees to report, go to [Page 75](#). If you have less than 10 licensees to report, continue following these instructions.

6. Select “Add one licensee at a time” from the dropdown.

The screenshot shows the 'Report Information' section of a web form. At the top, it says 'Report Year 2022' and 'Due Date 12/15/2022'. Below this is a question: 'Do you have anything to report?' with a dropdown menu showing 'Yes - I need to report on licensees who planted, harvested, or disposed of hemp this year'. The next question is 'How would you like to complete this report?' with a dropdown menu. A green arrow labeled '5' points to this dropdown. The dropdown menu is open, showing two options: 'Add one licensee at a time' (highlighted in green) and 'Upload a spreadsheet of all licensee information'. A green arrow labeled '6' points to the 'Add one licensee at a time' option.

7. Click the “New” button to the top right corner of the “Annual Report Line Items” section.

Update Licensee Information (1 of 2)

HeMP pulls the new licenses reported monthly through the Producer Report (AMS-23) and makes them available for viewing and updating under the "Licensees" tab on your homepage. You will use this section regularly to keep your licensee's information up to date. For example, if license 123 has reported a new business address, you must use the "Licensees" section to update license 123. The following instructions detail how to update your licensees' data.

1. From the HeMP homepage, **scroll down to find** and **click** the "Licensees" tab.
2. **Click** on any license number to view more information. Note: You can use the search bar to the right of the "Licenses" section to search for a specific license. You can also search for a License Number on your homepage search bar.

The screenshot shows the HeMP homepage with the 'Licensees' tab selected. A search bar is located to the right of the 'Licensees' section. Below the search bar is a table with the following columns: License Number, Account, License Status, and Issue Date. The table contains two rows of data.

License Number	Account	License Status	Issue Date
22-096811	Freeflower Farm	Active	07/21/2022
22-000389	Wolff, Christina Z	Inactive	03/30/2020

3. Once you are on the license information page, review the information under the "Details" section.
4. **Click** "Edit" to edit the license information.

The screenshot shows the HeMP license information page for license DC-5679. The 'Details' tab is selected. The page displays the following information:

HeMP pulls the licenses reported from your AMS-23 report and makes them available for viewing and updating under the "Licensees" section. From this section, you can see Farm Service Agency (FSA) lot data and hemp test results. You can also see a list of previously submitted Disposal/Remediation Reports (AMS-24) and Annual Reports (AMS-25) that include line items about your licensees.

1. From the HeMP homepage, **scroll down to find** and **click** the "Licensees" tab.
2. **Click** on any license number to view more information. Note: You can use the search bar to the right of the "Licenses" section to search for a specific license.

3. Once you are on the license information page, you can view information under the "Details", "Lots", "Test Results", or "Reports" tabs by **clicking** each tab.
4. Details: This tab contains information on the licensee that is pulled from the AMS-23 report. Note: The information in this tab must be kept update. You can edit this information by clicking "Edit" on the right side of the page. This is the only data that can be manually updated.

View Audit Results (1 of 2)

All audits will be conducted outside of HeMP. A record of the audit will be available in HeMP either while the audit is in progress or after the audit is completed. A member of your State or Tribe Account will receive an email notifying them that the audit results are available. The following instructions detail how you can access your State or Tribe audit results.

1. From the homepage, **scroll down** to find and **click** the “Compliance” tab.
2. **Click** the “Audits” subtab.
3. **Click** the Audit Record ID to open an audit.

The screenshot shows the HeMP interface. At the top, a navigation bar includes tabs for Licensees, Lots, Producer Reports, Disposal/Remediation Reports, Annual Reports, Test Results, and Compliance. A green arrow labeled '1' points to the 'Compliance' tab. Below this, the 'Compliance Details' section contains a paragraph about violations and links to the 'State and Tribal HeMP User Guide' and a tutorial video. A sub-navigation bar below this section has links for 'Corrective Action Plans', 'Violations', and 'Audits'. A green arrow labeled '2' points to the 'Audits' link. Below the sub-navigation bar is a table titled 'My Audits'. A green arrow labeled '3' points to the first row of the table, which contains the Audit Record ID 'AUDT-0000000034'.

Record ID	Audit Channel	Audit Reason	Start Date of Audit	End Date of Audit

6. If Violations were discovered from your audit, they will populate in the “Violations” section. **Click** on the Violation Record ID to view additional information about the Violation. Note: If there are no Violations associated with your audit, no records will populate in this section.

The screenshot displays the 'Audit Results' page for audit ID 'AUDT-0000000019'. The page is divided into two main sections: 'Files' and 'Violations'.

Files Section: This section shows a table of files associated with the audit. The table has columns for 'Title', 'Owner', 'Last Modified', and 'Size'. A single file is listed: 'Sa... USDA Test...' with a size of '12KB'. Below the table, there is a 'View All' link. A green arrow labeled '5' points to this link.

Violations Section: This section shows a table of violations. The table has columns for 'Record ID', 'Violation Det...', and 'Non-Compla...'. A single violation is listed: 'FLAG-00000040' with a status of 'Negligent'. Below the table, there is a 'Show:' dropdown menu and a 'Total records: 1' indicator. A green arrow labeled '6' points to the 'Record ID' 'FLAG-00000040'.

Audit Information: The left side of the page contains a summary of the audit. It includes the 'Audit ID' (AUDT-0000000019), 'Audit Channel' (On-Site (Remote)), 'Audit Reason' (Initial), 'Action Required' (Yes), 'Start Date of Audit' (5/16/2022), and 'End Date of Audit' (5/23/2022).

Manage Corrective Action Plans (1 of 5)

If you have been audited, inspected, or if USDA is made aware of a Violation, then you may be put on a Corrective Action Plan and have Corrective Actions you must report on. When you have been put on a Corrective Action Plan, you will receive an email notification letting you know that you must respond to the Corrective Action Plan in HeMP within 30 calendar days or risk suspension of your State or Tribe Plan.

1. From the homepage, **scroll down** to find and **click** the “Compliance” tab.
2. **Click** the “Corrective Action Plans” subtab where you will see the “My Corrective Action Plans” list.
Note: If you do not have any Corrective Action Plans, there will be no records populated in this list.
3. **Click** a Corrective Action Plan ID to view details about the Corrective Action Plan.

4. **Scroll** down to find the Corrective Action Plan ID you want to view details about. Once you click on a Plan ID, the details for that Plan is displayed.

Respond to Plan

8. Read the attestations “Respond to Plan” modal, select “Accept” from the dropdown then click “Submit”. You will receive a toast message confirming the successful response of your Corrective Action Plan.

Respond To Plan

In order to continue participation in the USDA Domestic Hemp Production Program and avoid plan suspension, please read the attestations below and accept the Corrective Action Plan and its conditions. If you have any questions, contact USDA at 202-720-8998 or farmbill.hemp@usda.gov.

- I hereby attest that I comprehend all the Violations assigned to me in this Corrective Action Plan.
- I hereby attest that I will draft and upload a Corrective Action Plan that outlines the Corrective Actions I intend to take for the duration of this plan.
- I understand that declining or failing to respond to this Corrective Action Plan will lead to plan suspension.
- I understand that failure to fulfill the requirements of each Corrective Action will lead to plan suspension.

9. You will receive an email notification confirming your acceptance of the Corrective Action Plan and notifying you that you must submit a Corrective Action Plan Draft in HeMP. After you have accepted the Corrective Action Plan, the “Submit CAP Draft” button will appear. This will allow you to submit your plan and outline the Corrective Actions that will be completed in response to the discovered Violations.
10. Click “Submit CAP Draft”.

The screenshot shows the 'Resolution Plan' page for RP-0000000128. In the top right corner, there is a button labeled 'Submit CAP Draft'. A green circle with the number 10 and a downward arrow points to this button. The page also contains sections for 'Instructions' and 'Corrective Actions Instructions'.

The screenshot shows a dialog box titled 'Upload a Corrective Action Plan Draft'. Inside, there is text explaining the upload process and a contact number for USDA. At the bottom, there is a button labeled 'Upload Files' with a green upward arrow icon. A green circle with the number 11 and a rightward arrow points to this button. There is also a 'Cancel' button at the bottom right.

12. **Upload** your Corrective Action Plan Draft from your files and **select** “Done”. Your uploaded Corrective Action Plan Draft will display in the “Files” section of the “Resolution Plan Details” page and the status of your Corrective Action Plan will change to “Under USDA Review”.

The screenshot shows the same 'Upload a Corrective Action Plan Draft' dialog box, but now it displays a file upload progress bar. The file is named 'CAP Draft.docx' and is 12 KB. A green checkmark is visible next to the progress bar. At the bottom right, there is a button labeled 'Done'. A green circle with the number 12 and a leftward arrow points to this button. There is also a 'Cancel' button at the bottom right.

13. USDA will review your Corrective Action Plan Draft and may provide edits. Once USDA reviews your draft, you will receive an email notification that there is a Corrective Action Plan Draft ready for review in HeMP. This updated draft will appear in the “Files” section on the “Resolution Plan Details” page.
 14. Corrective Action Plan revisions may go back and forth until a final version is agreed upon by both parties. Once USDA approves and finalizes the Corrective Action Plan, the status of the plan will change to “Active”, and you will receive an email notification.
 15. Next, the Corrective Actions that were agreed upon will be assigned to you by USDA and will populate in the “Corrective Actions” list for you to complete. **Click** on a Corrective Action Record ID to view additional details and submit required reporting.

17. Once you have uploaded the file(s) from your computer, click “Done” to submit your required reporting.

18. Click “Return to Resolution Plan” and **repeat** these steps for each Corrective Action you need to submit required reporting for. Note: You must report on all your Corrective Actions for the entirety of your Corrective Action Plan in order to successfully resolve the plan.

Note: If it is discovered that you have additional Violations and/or Corrective Actions that have been added to your Corrective Action Plan and/or the End Date of your plan has been updated, you will receive an email that your Corrective Action Plan has been enhanced and that you need to go into HeMP to view those updates.

Once all the Corrective Actions have been successfully completed and reported on for the entire duration of your Corrective Action Plan and you have reached the end date of your plan, you will receive an email notification that your Corrective Action Plan has been successfully resolved and that no further action is needed.
